

Clan Charters

“ A family run yacht charter company offering quality yachts, friendly service and brilliant Scottish sailing

Clan
Dufour
Gibsea 41'

Clan is a comfortable 41 foot family cruiser, ideal for those looking for fast, safe passages in a luxury quality finished yacht. The J + J design team took Dufour into a new level with the introduction of this superb family cruising yacht and have managed to design for performance and pleasure providing stunning hull lines, clean rounded accommodation layout with solid teak decks.

All sail management and trimming can be carried out from the shelter and comfort of the fully enclosed cockpit canopy to give relaxed cruising suited to our Scottish climate while enabling the skipper if desired to sail her single handed with the minimum of effort.

The cockpit canopy can quickly be packed away for more performance orientated sailing and with a feathered prop you get virtually no drag while under sail allowing fast cruising speeds - something she excels at! Under engine the four cylinder 55hp Volvo Penta ensures she has power in reserve, while the leather wheeled steering provides a positive feel with an unbelievably tight turning circle.

Down below you find exceptionally bright well finished accommodation with a spacious central saloon opposite an ergonomic fully fitted galley kitchen.

2010 Update: Now upgraded with electric heads, widescreen TV/DVD, and 240 volt inverter. Either side of the companion way are two large aft double cabins, with the option of an additional central double bunk. A particularly generous skippers double cabin is located forward of the saloon with its own private ensuite heads, shower and seating.
